

# A SPECIAL PLACE

**T**ree-lined streets, historic homes and a friendly, community feel—these are what make our neighborhoods great. And White Rock Lake Park, centered in the middle of our district, provides recreation and natural beauty for countless residents and visitors.

Jill Kotvis wants to preserve the integrity of our neighborhoods and our lake. As our City Council member, she'll do just that.

Jill will enforce standards to protect neighborhood integrity and will fight bad development. She'll be a voice for preserving our neighborhoods.

As an environmental advocate, Jill understands what is needed to maintain White Rock Lake Park. She will fight to prevent over development along the shoreline, improve park services, and ensure that the lake's water is clean and safe for everyone to enjoy. Support Jill Kotvis to preserve our neighborhoods and our parks.

**Early voting begins April 30. Election Day is May 12.**

**Jill Kotvis**  
FOR CITY COUNCIL, DISTRICT 9

**“We need to preserve the things that attracted us to this area in the first place. As your City Council representative, I will work to preserve our neighborhoods and to protect White Rock Lake Park.”**
