

White Rock Lake Park

Must be protected for future generations to enjoy.

Jill Kotvis believes that White Rock Lake Park is one of our greatest assets. It provides natural beauty and outdoor recreation for everyone to enjoy.

That's why Jill has a plan to preserve White Rock Lake Park for all of us.

Protecting White Rock Lake Park

- Preventing overdevelopment along the shoreline.
- Improve park services at the lake.
- Ensure that the lake's water is clean and safe for everyone to enjoy.
- Champion public and private efforts supporting the lake and our parks.

“White Rock Lake Park is ours to enjoy—now and in the future. We need to protect its natural beauty and maintain it as a refuge from the fast pace of city life.”

— *Jill Kotvis*

Support Jill Kotvis to preserve our lake and our parks.

Early voting begins April 30. Election Day is May 12.
